Attorney at Law

Provo, Utah

Dear Rex:

The present officials of the Town of Soldier Summit are of the opinion that the \$500.00 paid to you on September 1978, the \$500.00 paid on January of 1979, and the \$1,027.28 paid in February of 1979 for defense work for Roger Anderson in connection with a criminal complaint was an improper and illegal payment, that all parties involved were aware of the fact that that was a misuse of public funds, and they feel that the same should be repaid.

With this in mind, I'm making demand for the repayment of \$2,027.28.

Please advise as to whether or not you will honor this request.

Sincerely,

JAMES J. SMEDLEY
